Brighton Park, Chicago had benefited from the valuable healthcare resources in its community because of the services provided by Esperanza Health Centers since 2004.

RDF supported the construction of a **26,000** sq. foot healthcare facility.

Serving over **42,000** patients in their **three** locations across SW Chicago

Esperanza Health Centers are ranked among the **Top 5%** of health centers, nationwide, for quality care.

\$6 million QEI from RDF CDE and other funding sources.

108 FTEs are all bi-lingual and bi-cultural.

Esperanza provides bilingual, high-quality healthcare regardless of immigration status, insurance status, or ability to pay.

Services Include:

- Primary Care
- Behavioral Health
- Wellness Services

97% of patients live below 200% of the Federal poverty level (\$50.2k for a family of four in 2018) and Esperanza provides all medical treatment regardless of ability to pay.
